| for organizations to address all of their items. If translation services are required, please state |
| that, and an additional one (1) minute will be allotted. Approach the lectern and give your |
| name and address. |
The public has the opportunity to address the Board on any item appearing on the agenda or not on the agenda. Persons wishing to address the Board are asked to fill out a Public Comment Form located at the sign-in area, and submit the completed form to the administrative assistant prior to start of meeting.

Those who have a group concern are encouraged to select a spokesperson to address the Board. A copy of the full agenda is available for view at the Superintendent’s Office located at 4350 Otay Mesa Road, San Ysidro, California. Also, at the district website: www.sysdschools.org.

Wendy Rodriguez, Employee, Commented: 1) Asked the Board to add a storage room inside the library at La Mirada and Smythe schools. 2) She stores materials in a bin in the back, items were lost and has no control. It’s hard to get materials when teachers and students request them. 3) There are three offices in the library and would like to use one to keep materials and have an accurate record of them.

Tony Plana, Scripps Performing Arts, Commented: 1) Thanked the Board for having the Broadway Bound at Sunset, Ocean View Hills and Willow schools. 2) Invited the Board to the culmination event at San Ysidro High School. 3) We need to start teaching the arts in the second grade. Lower social economic students that have been exposed to the arts do better academically.

Felipe Muro, ComSports, Commented: 1) He’s been coaching in the community for thirty years and he sees the difference between the kids north of 905 and the kids entering San Ysidro High School how unprepared they are. We are hoping to reach out and start them in sports at a younger age. 2) We are concerned that our youth are being left behind. There are kids that don’t have funds to join the travel team or club sports and by the time they get to high school, they are joined by kids that have four to six years of competitive sports behind them. 3) We hope to provide year-round youth sports and provide the kids with what they should have. When the sport season is over during the school year, kids have to wait an entire year to play that sport again if they can afford it. Our organization will try to bridge that gap. 4) We just started a basketball league because of an individual who promised the kids they would play. Middle school kids from San Ysidro had no league and no where to play at. We associated with parks and recreation and we now have teams from Sweetwater middle schools. 5) What hurts him is that San Ysidro kids sometimes don’t even have team jerseys. We have a coach that out of his own pocket, paid for the uniforms, league fees and the referee fees. 6) As a community, we have to come together and do something different to get a different result. We are here for the kids. It breaks his heart when he coaches football and sees kids that don’t understand the sport because they were never exposed to it but they love it. We need to start them at the elementary level. 7) Unless we do something, we will continue to lose a lot of the kids. 8) By working together, we can have a long term, profound effect on our youth and that’s what we are all here for.

George Aceves, ComSports, Commented: 1) We started the San Ysidro Basketball League. I’ve been coaching for sixteen years so I was able to reach out to all the middle schools. We have about nine schools that joined, a girls league and a boys league, and we call it the “San Ysidro League.” There was a big demand and now everyone wants to join the San Ysidro League so we are bringing San Ysidro up. 2) I ended up having thirty-four kids so I made three teams and put them in the league. I put the money for their uniforms and everything knowing that I won’t get a lot of it back. But it doesn’t matter, just seeing those kids make that basket and seeing them happy. As a matter of fact, the Vista Del Mar boys team is undefeated. We are 4-0 and in first place. All three teams play on Saturdays. 3) We hope to provide off season sports for them next year when they join the Sweetwater League. We want to provide sports that the kids want to join.

Jesus Bojorquez, ComSports, Commented: 1) We have a basketball league and we are in our fifth week. We play at the San Ysidro Community Activity Center. If anyone wants to come and watch the games, it’s filled with excitement.

10. ITEMS FROM THE BOARD & INTERIM SUPERINTENDENT

President Pallasigue, Commented: 1) Wished everyone a Happy Mother’s Day. 2) Thanked Mrs. Rosario for the beautiful presentation. 3) Thanked Mr. Ramos for hosting the Board meeting. 4) Wants the Board to have a forward thinking attitude. It’s been a difficult road. 5) She doesn’t think the Board should use their seats to point fingers at one another. It’s an abuse of this seat to do so. This seat should only be used with the intent of teachers, children and parents in mind. 6) Hopes we can move forward and not engage in that kind of behavior. 7) We need to bring in local law enforcement so our kids can learn to respect the local authority. 8) We need drama, arts and sports. 9) She loves and appreciates this community.

Clerk Diaz, Commented, 1) Thanked Mr. Ramos for hosting the Board meeting. 2) Thanked staff for everything they do with our kids. 3) Attended the California Distinguished School recognition and congratulated Ocean View Hills School. It was a team effort. 4) We need to bring band, choir and sports in and look at the seasons for sports. He was in the band since third grade on. 5) Wished everyone a Happy Mother’s Day.
